PRAVAH - Initiative & Effort

[This institution emerged in the 1990s against the struggle against illiteracy prevalent in the society through a literacy campaign conducted in the country. Since literacy is the first rung of development, women were literate on a wide scale by linking with the literacy mission, raising awareness of literacy in city and village. This movement organized women and made them aware of the organizational power. Since this movement was led by **PRAVAH**, it was registered under the Firm and Society in 2005 to establish these groups as "**PRAVAH SAMUH SANGAM SANGH SOCIETY**".]

❖ Efforts made to empower women of self-help groups economically and socially are as follows.

1. Prime Minister Digital Literacy: -

Digital literacy has been provided to the people by conducting digital literacy programs in Indore, **Barwani** and **Dhar** districts under this program. In this, people have been given skills related to digital banking process. And was told how important it is to be digital in today's time if you want to develop yourself and society.

2. Projects conducted and skill development training programs:-

ACTIVITIES & PROGRAMMES

HEALTH AWARENESS CAMP

The organisation conducted the programme in Indore District of Madhya Pradesh State. It aims to educate rural India and make them aware of how to take proper care of their health. This programme is focused towards addressing issues of personal health care, vaccination, hygiene, and illness prevention. They are also given information on how to integrate and maintain hygiene in their lifestyle. This program is run on behalf of our organization, in which awareness is raised about health among the people of the society, in which people are told to organize camps and that you can stay healthy by following a normal routine.

WOMEN AWARENESS PROGRAMME

The organisation conducted the programme in Indore District of Madhya Pradesh State. Women have suffered a lot through the years at the hands of men. In earlier centuries, they were treated as almost non-existent. As if all the rights belonged to men even something as basic as voting. As the times evolved, women realized their power. There on began the revolution for women empowerment. There are various ways in how one can empower women. The individuals and government must both come together to make it happen. Education for girls must be made compulsory so that women can become illiterate to make a life for themselves. Most importantly, the shame of divorce and abuse must be thrown out of the window. Many women stay in abusive relationships because of the fear of society. Parents must teach their daughters it is okay to come home divorced rather than in a coffin.

GENERAL AWARENESS

The organisation conducted the programme in Indore District of Madhya Pradesh State. This program is run on behalf of our organization, in which we spread awareness among the people of the society about general awareness such as education and our rights, in which we tell that the government in many ways to help the neglected people of the society. There is a need to be ready, so to know and understand it, in which we work fully on the ground star, the order makes every effort to make someone Do not be deprived of your rights due to information.

LIVELIHOOD ENTERPRISE DEVELOPMENT PROGRAM

The organisation conducted the programme in Indore District of Madhya Pradesh State. National Bank for Agriculture and Rural Development (NABARD) launched the Livelihood & Enterprise Development Programme (LEDP) in M.P.. The programme aims at creation of sustainable livelihoods amongst Self Help Group members. The objective of the program is to create the sustainable livelihood amongst Self Help Group (SHG) members, by giving them, valuable training on major livelihood activities and to set-up a demonstration plot there by one of the active farmer and adding value on their produce too.

EDUCATIONAL PROGRAMME

The organisation conducted the programme in Indore District of Madhya Pradesh State. An educational program is a program written by the institution or ministry of education which determines the learning progress of each subject in all the stages of formal education. Through this program, we provide education to such children who despite being brilliant, do not continue their studies and their talent is destroyed which is not good for the future of India, so we always keep trying No entitled child should be deprived of his right to education and be a partner in the development of this country.
